

DISTRICT OF COLUMBIA
PUBLIC SCHOOLS

March 31, 2010

Dear DCPS Families,

Enclosed you will find the materials necessary to enroll your child in DCPS for the 2010-2011 school year. Please carefully review all of the enclosed materials, complete and return them – along with this checklist – back to your child's school as soon as possible to secure your child's spot at his/her school. Our goal is to have all schools' enrollment completed by June 15, 2010.

The Student Enrollment Form has been printed to include your child's current enrollment information. If the information included has changed or is incorrect, please make changes directly on the form and review with your school's principal or registrar.

If you have any questions, please do not hesitate to contact your child's school directly or the Office of School Operations at 202-442-5007.
